

do you match emru?

Ethnic minorities are severely underrepresented in the bone marrow registry. Remember

**a match can come from anywhere
only a small blood sample is required**
and time is not on our side.

Improve the odds.
Register today.

healemru.com

Internationally, either a mouth swab or a blood sample is taken to register. Visit healermru.com to confirm requirements for your local donor registry.

This announcement was created by the friends and family of Emru Townsend.
